REASONS WHY YOU SHOULD HAVE YOUR VEHICLE SERVICED AT WEST CHRYSLER JEEP DODGE RAM:

• West Hills Chrysler Jeep Dodge Ram technicians are certified by the national institute for automotive service excellence (ASE). They are specialized to serve only one make of vehicle—yours.

• Be assured that our technicians have access to all current technical and product information regarding your vehicle. West Hills Chrysler jeep dodge ram employs factory trained and certified master technicians. The current generation of vehicles requires that our technicians are skilled in computer diagnostics in order to serve your vehicle.

• Our service technicians have access to the most currently designed service tools coupled with the finest, modern, diagnostic systems when servicing your vehicle.

• Our service technicians have instant access to an up-to-date data base of Chrysler jeep dodge ram technical information which provides information about your specific model vehicle.

• Original equipment replacement parts are manufactured for your exact vehicle model. Utilizing original equipment parts, when completing your repairs, assures the right look and fit thus maintaining the same original manufacturer (OEM) quality as you originally purchased.

• Today's vehicle pricing makes it more important than ever before to rely only on trained professionals to service your vehicle. Our service technicians are trained to keep your vehicle in top performance condition.

• We strive to maintain the lowest qualified repair prices on the entire peninsula. Prices are usually significantly lower than anticipated, especially on routine maintenance such as oil changes and tune-ups.

• Understanding that our reputation depends on total customer satisfaction, we guarantee all repairs for a period appropriate to individual automobile conditions. You will also receive available manufacturers' guarantees on all original equipment replacement parts.

We are a full-service dealership. From minor Services and maintenance to major repairs and Even tires. We do it all!
